 - d. National Science Day.
 - e. National Librarian Day.
 - f. Convocation.
11. Examination and Result.
12. Financial report.
13. Future plans, Conclusion and Remarks.

PREFACE:

Annual Report Committee feels proud to submit 16th annual report of Matoshri Nanibai Gharphalkar Science College, Babhulgaon which was established in 2008. This annual report consists of various academic and extra-curricular activities carried by our college. On further proceeding of the report, we will sum-up the qualitative and numeric growth of our college.

This report provides details of the college Committees, programmes also exhibit details of students who have shown outstanding performance in the field of Sports and Cultural activities. Along with student's achievements this report also include faculty achievements of our college. Report includes various activities conducted by National Service Scheme which sows the seed of social service among students. Report also concentrates on various activities conducted by various teaching departments of the college.

Report ends with the academic conclusions withdrawn by annual report committee which covers positive and negatives of this annual session. Concluding points and remarks will for sure help our college to improve more in upcoming academic year.

About College:

The College was established in 2008-09 with an intention to provide good science education to the students of this backward rural area. The College Management aims at developing the College as an Institute to impart knowledge in every field of science with the best experimental facilities.

The College is located in an environment-friendly area with minimum sound, water and air pollution. Providing the basic infrastructural facilities to the students, well-equipped laboratories are ready to enhance the experimental skill of the students.

Extra-curricular activities, games and sports, cultural and social activities help students' development as well as cultured citizen of the country having social awareness.

● **Report on International Yoga Day**

● Date : 21 June 2024

- On 21 June 2024 "International Yoga day" was celebrated in our college at 7.30 to 9.30am. All the students of B.Sc I, B.Sc II and B.Sc III had participated in the "International Yoga day".
- Professor Dr. Sushil Battalwar addressed the students explaining what Meditation and Action Movement was and its usefulness in one's life. He stressed on mindfulness "a technique when we train the mind to be thoughtless helps in creating self-awareness and a deep concentration and silence.
- The sessions of Yoga and meditation are conducted. The practice helps a lot to refine the students and make them realize the importance of mental and spiritual health and stress free life and told the information of about yoga day and Importance of yoga in our day-today life. Yoga Day is celebrated among the youth and children to make them understand the importance of Yoga in their life. It helps the students understand how to maintain harmony between body and mind.
- A few minutes of yoga during the day can be a great way to get rid of stress that accumulates daily in both the body and mind. Yoga Postures, Pranayama and Meditation are effective techniques to release stress. Meditation is relaxation which gives calm mind, good concentration of the body and mind etc. Yoga is a great remedy to remove tensions.
- Yoga helps students, teachers, and workers by giving them emotional strength so that they can easily manage all pressures and can give them best intellectual abilities.
- All the students were excited and energetic. Some of our teachers and students had shown Yoga by following the instruction given by the trainer. We all celebrate the day with a lot of eagerness and joy.
- It was very interesting day for all of us. The experience we got was really amazing.

Matoshri Nanibai Gharphalkar Science College, Babhulgaon

मातोश्री नानीबाई घारफळकर विज्ञान महाविद्यालय, बाभुळगांव

Report on Teachers day 5th September 2023

Matoshri Nanibai Gharphalkar Science College Babhulgaon celebrated 'Teacher's Day' celebrations very exuberantly on 5th September, 2023 which is well known as Dr. Sarvepalli Radha Krishnan's Birth Anniversary and who is a great politician, philosopher, educator, inspirer and a great teacher.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. It is impossible to imagine our lives without teachers. They are the cornerstone of our future. We can never thank teachers enough for their immense contribution in a student's life. Teacher's Day is celebrated to show acknowledgement and recognition of the hard work put in by the teachers towards their development. To make this Teacher's Day unique and memorable, this year, we decided to put a twist on the usual celebration. Instead of just appreciating our teachers, we want to foster a culture of learning and collaboration, where students also become teachers for a day.

Several students from different semester have come forward to conduct mini-lessons on various subjects. This not only helps us understand the effort teachers put into planning lessons but also showcases the talent and potential within our student body.

In the end, the audience was addressed by Principal Sir where he appreciated the efforts done by the students to celebrate Teacher's Day and making the teachers feel special by showing their respect and love towards their teachers.

Report On International Women's Day 2024

On this occasion of International Women's Day on 08th March, 2024 prevention of Internal Complaint committee and Department of Zoology, Matoshri Nanibai Gharphalkar Science College has organized an guest lectures on the theme "Inspire Inclusion" the program was conducted on 13/3/2024 at 02.00 Pm, Chief Guest for the program was Dr. Smita B. Patil Assistant Professor, Department of Zoology, Matoshri Nanibai Gharphalkar Science college, Babhulgaon and Guest of honour was Dr. Bhavana S. Pillai Assistant Professor, Department of Zoology, Matoshri Nanibai Gharphalkar Science college, Babhulgaon.

The first speaker (Chief Guest) Dr. Smita B. Patil highlighted the need to recognize the increased number of women in the corporate and management sector, they are mostly located as support staff. There are considerably fewer women executives at the higher levels of decision making. Highlighted the contribution of the great women leaders such as Savitri bai Phule and Dr. Baba saheb Ambedkar they work for wellfair of the society. Further she also highlighted how the pandemic has also a gendered effect, with women at different levels facing job and income loss. She also referred to how institutions such as family and educational spaces can play a supportive role in furthering women's fight for equality and power. She concluded by emphasizing on the need for women to focus on self-care, self-acceptance and be confident of their decisions and situation is considerable has changed now from the earlier time period.

Dr. Bhavana S. Pillai started her talk by highlighting the importance of inclusive policies and stated that only by including its women's citizens can any nation prosper. She also highlighted the role of education in ensuring that women's access to resources, assets and positions of authority is guaranteed. Drawing from her own life experiences, she emphasized the role of supportive networks such as family, friends, peers and colleagues who would play an important role in supporting the life choices made by women. Dr. Bhavana S. Pillai also shared some insights with regards to violence against women, by drawing attention to cases of foeticide, child marriage and human trafficking. By sharing two inspiring stories of strong women Sudha Murthi co-founder of Infosys who have fought the violence experienced by old ritual of devdasi at her village she was successful in eradicating devdasi ritual from the village and saved 3000 womens, and then these womens created a new path for themselves, she emphasized the strength and perseverance that women.

The chairperson Dr. P. N. Mulkalwar principal, Matoshri Nanibai Gharphalkar Science College shared his view on the topic, need to look back to our past to draw inspiration from some strong women, who have carved for themselves a special role in the political economic field. Drawing upon the experiences of women rulers, the speaker highlighted how women over the years have negotiated for power. He also highlighted that to access and control power, these women rulers have used various strategies at their disposal; thereby highlighting how the fight for power is always contested and needs to be fought for. Also drew our attention to the need to carefully look for sources of knowledge.

All the speakers shared their personal experiences with science as a profession and science as a laboratory and experimental process. They highlighted the importance of maintaining personal and professional work balance. One of the important messages that emerged out of the discussion is the way women scientists evolve the coping mechanism to excel in scientific research and practice. It was one of the best panel discussions that inspired a number of the participants.

It was well acknowledged by the students, faculty and staff.

REPORT ON NATIONAL SCIENCE DAY CELEBRATION 2024

'INDIGENOUS TECHNOLOGY FOR VIKASIT BHARAT'

National Science day was celebrated by the students of Matoshri Nanibai Gharphalkar Science College on 28th February 2024. This day is celebrated to remember the great invention by the Indian Physicist Chandrasekhar Venkata Raman who discovered 'Raman Effect'. As part of the celebration's competitions were held for students of MNG Science College, Babhulgaon. The competition included Rangoli Competition with the scientific theme and the group discussion competition. There was enthusiastic participation for all the competitions from the students as well as the staff. The winners of the Rangoli and Quiz competition were as follows:

Winners of Rangoli Poster/Model and Group discussion competition

Rangoli Competition	Poster Competition	Model Competition	Group Discussion Competition
Nutan Makode	Nutan Makode		Bhumika Jambhale
Pooja Dutkar		Unnati Bansod	Nutan Makode
Pooja Shende			Unnati Bansod

The function commenced at 12:30 pm with the gracious presence of Dr. P. N. Mulkalwar, Chairperson and the principle of MNG Science College, Babhulgaon, Chief Guest Dr. S.S. Battalwar Sir, Director of Physical Education department, Dr. S.B. Patil mam, Department of zoology and Dr. B.S. Pill ai mam Department of zoology. The celebrations began with the lightning of lamp. The chief guest of the Program Dr. S.S. Battalwar sir delivered a speech on Vikasit Bharat. He expressed his views on how we should never fear to follow our dreams and never stop questioning. Dr. P.N. Mulkalwar Sir, Principle of MNG Science College, Babhulgaon delivered speech on biography of CV Raman and by addressing Students said that every student must think of being researcher. After that felicitation of students was done to encourage students for their work. At last Prof. Rupesh Ade sir delivered the vote of thanks.

Report on the Birth Anniversary of Dr. S.R. Ranganathan

Date: August 12, 2023

Location: Matoshri Nanibai Gharphalkar Science College Babhulgaon

Organized by: College Library, Matoshri Nanibai Gharphalkar Science College Babhulgaon

Introduction

The birth anniversary of Dr. Shiyali Ramamrita Ranganathan, celebrated on August 12, is a significant occasion for librarians, information scientists, and educators. Renowned as the "Father of Library Science in India," Dr. Ranganathan's contributions have had a lasting impact on the field of library and information science.

Event Overview

This year, the celebrations included a series of activities aimed at honoring Dr. Ranganathan's legacy and promoting the importance of library science in modern society.

Activities Conducted

1. **Inaugural Session:** The event began with a welcome address by Mr. Umesh Khadse, Librarian Matoshri Nanibai Gharphalkar Science college Babhulgaon who highlighted Dr. Ranganathan's contributions, including the development of the Five Laws of Library Science and the colon classification system.
2. **Inaugural Speech:** A inaugural speech was delivered by Dr. Omkar Kapse, Assistant Professor, Department of Chemistry, Amolokchand college Yavatmal. The speech focused on the relevance of Ranganathan's principles in today's digital age and the evolving role of libraries in information dissemination.
3. **Chairman Remark :** chairman remark was delivered by Dr. P.N. Mulkalwar, Principal of Matoshri Nanibai Gharphalkar Science College Babhulgaon. The speech focused on this points The impact of technology on library services, Challenges faced by

modern libraries, The importance of Ranganathan's philosophies in contemporary practices.

Dr. Ranganathan's Five Laws of Library Science remain as relevant today as they were when he first articulated them. His belief that “books are for use” resonates deeply in our mission to make knowledge accessible to all. In an age where information is abundant yet often overwhelming, Ranganathan's principles guide us in curating resources and fostering a culture of learning and inquiry.

Moreover, his innovative colon classification system has provided a framework for organizing knowledge, enabling efficient retrieval and management of information. As we continue to adapt to the digital era, we must remember that at the heart of our work lies a commitment to serving our communities, inspired by Ranganathan's vision.

4. **Book Exhibition:** An exhibition of books, articles, and resources related to Dr. Ranganathan's work and library science was set up, allowing attendees to explore his contributions firsthand. All reference book of library displayed in this book exhibition.

Conclusion

The birth anniversary of Dr. S.R. Ranganathan served as a reminder of the vital role libraries play in society and the enduring relevance of his work. Attendees left inspired to further the mission of libraries and to uphold the values that Ranganathan championed.

Acknowledgments

Special thanks to all participants, speakers, and organizers who contributed to the success of this event. The legacy of Dr. Ranganathan continues to inspire future generations in the field of library and information science.

• **Convocation:**

Report on Degree Distribution

1.Name of the Programme: Degree Distribution Ceremony

1. Date: 13/09/2023

2. Time: 12.00- 2.00 pm

3. Place: Matoshri Nanibai Gharphalkar Vidnyan Mahavidyalaya, Babhulgaon

4. Organizing Department: Chemistry and Botany Department

5. Programme Co-ordinator: Ass. Prof. M. L. Wankhade & Ass. Prof. P. D. Naitam

6. Objectives of the Programme:

- 1) Students get their degree's Or Certificate
- 2) The individuals are assembled formally, majorly for academic purposes.
- 3) An occasional address and congratulatory speech.

7. Chairman of the Programme: Dr. P. N. Mulkalwar

8. Chief Guests: 1.Hon'ble Meera Pagore, Tehasil Officer, Babhulgaon

2. Hon'ble Shree. Krushnabhau Kadu Sir, Chairman (Sudam Shikshan Prasarak Mandal, Yavatmal)

3. Hon'ble Dr. P. N. Mulkalwar, Principal (Matoshri Nanibai Gharphalkar Vidnyan Mahavidyalaya, Babhulgaon)

4.Hon'ble Yameen Syed, Naib Tehsildar Babhulgaon

5.Hon'ble Shree Shrikantji Kapase, Member (Sudam Shikshan Prasarak Mandal, Yavatmal)

6. Hon'ble Aarif Ali, Dainik Lokmat Journalist, Babhulgaon

Number of students expected: 25

9. Number of teachers expected: 9

10. Expected outcomes:

- 1) The convocation is a special gathering to honour the achievements of students and acknowledge their success through formal certification.
- 2) The starting point of the new journey.
- 3) Get an internship. As a recent graduate, an internship is an important opportunity to gain access to competitive companies and industries.

11. Short Description:

Sant Gadgebaba Amravati University awarded degrees to graduate students at Matoshri Nanibai Gharphalkar Vidnyan Mahavidyalaya, Babhulgaon. The function was presided over by Hon'ble Krishna Kadu, Secretary (Sudam Shikhan Prasarak Mandal, Yavatmal) in the college multi cultural hall.

Hon'ble Tehsildar Meera Pagore,

Hon'ble Dr. Pramod Mulkalwar, Principal, Matoshri Nanibai Gharphalkar Vidnyan Mahavidyalaya, Babhulgaon.

Hon'ble Yameen Syed, Naib tehsildar,

Shrikant Kapse, Member Sudam Shikhan Prasarak Mandal, Yavatmal, Dr. Sushil Battalwar, Director of Physical Education of Matoshri Nanibai Gharphalkar Vidnyan Mahavidyalaya, Babhulgaon.

Press Club President Arif Ali and IQAC Co-ordinator Mr. Umesh Khadse they all were peresent for the programme. Introduction of Hon'ble guest given by Assi.

Prof. Manisha Neware and Introductory speech given by IQAC Co-ordinator Mr. Umesh Khadse.

Tehsildar Meera Pagore urged that in the competitive era, don't wait until the goal is achieved, decide what you want to be, fix the target and move forward.

The knowledge you acquire cannot be stolen. Our parents provide us with all the facilities for education. Krishna Kadu, Secretary of Sudam Shikhan prasarak mandal Yavatmal advises the students to learn, grow up and guided the students.

The Presidential Address by Naib Tehsildar Yameen Syed expressed the opinion that it is equally important and necessary to become cultured along with

education. Other speakers also gave speeches on this occasion. The graduation ceremony was attended by Assi. prof. Bhavana Pillai, Assi. prof. Smita Patil, Assi. Prof. Kanchan Kathale, Assi. Prof. Nitiksha Gawande, Assi. Prof. Rupesh Ade, Sushant Bire, Dinesh Ramteke, Prashant Gaikwad, Sanjay Thawle, Sagar Gole, Sachin Mankar, Chandrasekhar Landge, Ashish Vanare, Non-teaching staff, Students and students who received their degree.

Programme Conducted by - Assi. Prof. Minal Wankhade & Assi. Prof. Priyanka Naitam and vote of thanks by

Assi. prof. Harshad salve.

Future plan:

Our college plans several actions for the next academic year.

Few of them are enlisted as below:

1. Formation of the subject societies runs by the students.
2. Quiz Competition to be conducted on the subjects to face the competitive world.
3. Poster Competition on the occasion of National Science Day.
4. Guest lecture on special topics.
5. Visits of the students to Research Institutes.
6. Conduction of workshops on specific topic of interest.

Conclusion:

It is said that there is always room for improvement. Our college also has same ideology. We look forward for more improvement in academics as well as in extra-curricular gatherings, made us realise that we should continue to serve education no matter what situation it is. It's true that, technology will never replace face to face interaction, but we really appreciate the efforts taken by our staff members to continue the teaching-learning process. In fact it was easier to organize a number of events that can reach more audience and found to be effective.

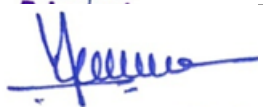

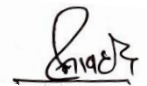

Remarks:

- Our college has young, qualified and hardworking teaching staff.
- Our teachers have actively participated in the smooth conduct of university examination by way of contributing to the question bank and valuation of answer books.
