Babhulgaon, Dist. Yavatmal

ABOUT THE COLLEGE

Matoshri Nanibai Gharphalkar Science College was established in the academic year 2008-09 with the aim of providing high quality science education to the students of this underdeveloped rural region, located in Babhulgaon. The College was founded to cater primarily to rural students and remains committed to this mission. The College Management aspires to develop it into an institution dedicated to imparting knowledge in all fields of science while offering the best experimental facilities.

College is equipped with modern infrastructure, including well-furnished classroom, state of-the-art laboratories, a comprehensive library and advance computer lab, enabling students to strengthen their experimental skills and academic growth. The establishment of Matoshri Nanibai Gharphalkar Science College by Sudam Shikshan Prasarak Mandal addressed the lack of science education in Babhulgaon and nearby villages. The College is affiliated to Sant Gadge Baba Amravati University and is committed to provide quality science education to empower the youth of the region. The college offers the Bachelor of Science program.

Over the years, the College has demonstrated significant growth in academics, extra curricular activities, sports, cultural events, and social initiatives, helping students evolve into well rounded citizen with a strong sense of social responsibility. With a biophilic campus that fosters a positive teaching-learning atmosphere, the College is committed to continuous improvement. It is accredited with a B+ grade by NAAC, Bangalore, and is recognized under sections 2(f) and 12(B) of the UGC Act.

ABOUT THE CONFERENCE

The National Conference on Multidisciplinary Perspective in Artificial Intelligence (NCMPAI– Nov 2025) is being organized with the objective of bringing together scholars, researchers, academicians, and professionals to deliberate on the emerging role of Artificial Intelligence in diverse fields of knowledge. Artificial Intelligence, once confined to computer science, has now become a driving force that influences almost every sphere of human activity ranging from science and technology to business, pharmacy, agriculture, social sciences, and the arts.

This conference seeks to provide a common academic forum where participants can share their research findings, exchange innovative ideas, and engage in meaningful discussions on how AI can be effectively integrated across disciplines. By encouraging a multidisciplinary dialogue, NCMPAI- Nov 2025 aims to highlight the transformative potential of AI, its practical applications, and the ethical, social, and professional dimensions associated with its use.

The event will include keynote lectures by eminent speakers, paper presentations, and interactive sessions designed to promote learning and collaboration. It will serve not only as a platform for presenting original research but also as an opportunity to build academic networks and initiate partnerships that may contribute to future research and development.

Through this initiative, Matoshri Nanibai Gharphalkar Science College, Babhulgaon, reaffirms its commitment to academic excellence and its vision of preparing students and researchers to meet contemporary challenges with competence and creativity. The conference is expected to enrich participants with new perspectives, inspire interdisciplinary research, and contribute towards shaping a future where Artificial Intelligence supports knowledge, innovation, and social progress.

Ai

Sub Themes

Science and Technology

- AI in Life Sciences and Biotechnology
- AI in Chemistry and Chemical Analysis
- AI in Materials Science and Nanotechnology
- AI in Physical Sciences and Applied Physics
- AI in Agricultural Sciences and Crop Improvement
- AI in Scientific Research and Prompt Analysis
- AI in Mathematical Research, Education, and Computational Applications.
- AI in Farm Management Systems.
- AI in Healthcare: Diagnosis, Drug Discovery and Predictive Health.
- AI in Robotics, Internet of Things (IoT), Cybersecurity and Threat Detection.
- AI in Quantum Computing
- AI in Genomics and Bioinformatics

Commerce and Management

- AI in Customer Service and Experience Management
- AI in Business Education and E-Commerce.
- Predictive Analytics for Consumer, Market Trends Analysis and Financial Forecasting.
- Role of AI in Decision-Making, Data Analysis and Strategic Management
- Role of AI in Human Resource Management.
- AI in Organizational Automation and Operational Efficiency

Social Sciences

- AI in Cultural and Social Analytics
- AI and Its Ethical, Social, and Philosophical Implications
- AI in Tribal and Inclusive Education
- AI in Pedagogical Education and Learning Systems

Arts and Humanities

- AI in Creative Writing and Literature Studies
- AI in Indian Languages and Knowledge Systems
- The Role of Artificial Intelligence in Women's and Gender Sensitization

Interdisciplinary Studies

- Generative AI in Language Learning, Translation, and Preservation of Regional Languages
- AI in Curriculum Design and Personalized Learning in the Humanities
- Digital Storytelling, Media Arts, and Cultural Heritage Preservation through AI
- AI in Historical Research and Archival Digitization
- AI in Music, Dance, Theatre, and Performing Arts
- AI in Library and Information Science : Empowering Academic & Public Libraries, Connecting Communities, Innovation in Libraries, Digital Technology and Trends in Libraries.
- AI in Sports Training, Performance Analysis, and Injury Prevention.
- AI in Education: Transforming Teaching, Learning, and Assessment
- AI for sustainable development and social Ethics, NEP 2020.
- AI in law transforming legal practices with technology

Registration and Publication

Registration Link : <https://forms.gle/FwDpRDVBHUMxtKUU6>
Registration Fees : (Non-refundable)

Faculty / Academicians / Professionals	1000/-
Research Scholars	500/-

Research papers will be published in the Peer-Reviewed, Refereed, Open Access Vidyabharati International Interdisciplinary Research Journal (VIIRJ), which has an impact factor of 1.6. VIIRJ is indexed in international databases and adheres to UGC norms 2025.

Important Dates:

- Last Date for Registration : 31-10-2025
- Last Date for Full-length Paper Submission: 03-11-2025
- Date of Acceptance of Paper: 05-11-2025
- Date of Conference: 11-11-2025

Payment Details:

Account Name : PRAMOD NAMDEORAO MULKALWAR
 Account No. : 11150552594
 IFSC Code : SBIN0000506
 Branch Name : Yavatmal
 Bank Name : State Bank of India
 UPI ID : 9028378239-2@ybl
 Payment QR :

Note : The registration fees with the research paper should reach the on or before the last date mentioned above. Registration fees

cover arrangements at all the conference sessions, conference material, lunch and tea during the conference.

Submission Guidelines:

- Delegates should mail their research papers on mngscconference@gmail.com
- A soft copy of the payment receipt with transaction ID must be attached with the paper.
- Papers must be original, not under review elsewhere, and plagiarism must be below 10%.
- For English, use Times New Roman, font size 12, bol headings, and single spacing.
- For Marathi and Hindi, use Unicode font, size 14.
- Full papers should be between 1500 and 3000 words.
- Author details must include name(s) of author and co-author(s), designation, institution and affiliation, email, and mobile number.
- The paper should follow this format : Title, Author Name(s), Abstract, Keywords, Introduction, Literature Review, Research Work, Conclusion, and References (APA).
- No TA/DA will be provided, and papers received after the due date will not be accepted.
- An e-copy of journal will be provided.

Location details:

Matoshri Nanibai Gharphalkar Science College,
 Babhulgaon, Dist. Yavatmal-445101.
